

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2018 with regard to energy labelling of refrigerating appliances with a direct sales function

**Supplier's name or trade mark:** Marecos

**Supplier's address:** Departamento de Qualidade, Olitrem, Indústria de Refrigeração, S.A. Rua Armando Marecos, Estrada Municipal 565, Vale de Água de Fora 2025-586 Tremês – Santarém

**Model identifier:** CV 350 PV SD EXCLUSIVE

|             |                  |
|-------------|------------------|
| <b>Use:</b> | Display and sale |
|-------------|------------------|

**Type of refrigerating appliance with a direct sales function:**

supermarket cabinet

|                                                                                                                                              |    |
|----------------------------------------------------------------------------------------------------------------------------------------------|----|
| Cabinet family code, according to the harmonised standards or other reliable, accurate and reproducible methods in accordance with Annex IV. | H1 |
|----------------------------------------------------------------------------------------------------------------------------------------------|----|

**Product specific parameters**

**4. Integral vertical (other than semi-vertical) supermarket cabinet, roll-in: No**

|                                      |                                             |
|--------------------------------------|---------------------------------------------|
| Total display area (m <sup>2</sup> ) | Temperature class (according to Table 4(a)) |
| 0,68                                 | -                                           |

**General product parameters:**

| Parameter                         | Value  | Parameter                                                                                                                                                                       | Value |
|-----------------------------------|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| Annual energy consumption (kWh/a) | 899,00 | Recommended temperature(s) for optimised food storage (°C) (These settings shall not contradict the temperature conditions set out in Annex IV, Table 4, 5 or 6, as applicable) | 5     |
| EEL                               | 17,9   | Energy efficiency class                                                                                                                                                         | B     |

**Light source parameters:**

|                         |     |
|-------------------------|-----|
| Type of light source    | LED |
| Energy efficiency class | F   |

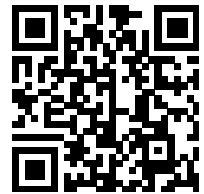

**Minimum duration of the guarantee offered by the supplier:** 24 months
